Pavlína's book as a movement of thoughts

Czech–Japanese
cultural inspiration

そのおすねこの名前は雲くんと言います。かれの背中には、ベンガルという国の形をした斑点模様があります。ベンガルは雲くんのひいおばあちゃんのふるさと。そう。ひいおばあちゃんはベンガルネコでしたよ！しかも、踊りがうまかったといわれています。その名は？ええと、何でしたっけ。思い出せるかな。

One of the dapples on this tomcat, called Fluff, is shaped like Bengal. Bengal is the fiery homeland of his great-grandmother, a Bengal cat. She used to be a great dancer! What might her name have been? I hope I can remember.

- └ FLUFF IN THE SKY is a story by PAVLÍNA ŠIMONOVÁ
 - └ in Czech–Japanese and English–Japanese editions
 - └ illustrations by SOTA SAKUMA (a Japanese artist living in Prague)
 - └ published by BOLD GALLERY (a contemporary art gallery in Prague)
- └ story of PAVLÍNA's cat FLUFF
 - └ FLUFF is an exceptional cat, just like the book
 - └ SAKUMA is allergic to cats, yet does not react to FLUFF
